Dear Scouter,

As you prepare your personal 2006 calendar, please be sure you still have reserved September 30 to October 2 and October 13 to October 15. Those key dates will be your reservation for the time of your life.

On behalf of the staff, welcome to Powder Horn 2006. Over the months between now and the time the course begin, we will send you periodic updates providing key information you will find helpful in preparing for the adventure and fun and excitement that awaits you.

In Powder Horn, those who present the sessions are experts in their field. In fact, we call them consultants. We have begun recruiting consultants for the course. Among those already agreeing to participate are: Traveler's Dream - living history band, Fields Of Home - bluegrass band, Gary & Terry - beach party band, Roy Inglis - ski school director for Paoli Peaks, and Don Jacobson - author of the One Pan Gourmet. As you can tell, our evenings will include some real fun to go with the many exciting daytime sessions. In total, over 40 consultants will be used to present your sessions!

Now for some necessary details:
