From: J. Larry Vaughn

July 6, 2006

POWDER HORN IS COMING! ... and it's not far away! Are you ready for some adventure?

I can just hear old Hank singing about it ...

"Do you want some bug juice? Hey do you want some adventure?"

"Hey honey this is ole Keith. Ready to get the thing started.

"We rounded up the consultants, got camp looking real nice

"And all my Scouting friends are coming over tonight."

Well, maybe Keith won't be singing ... but there will be pickin' and grinnin' and bluegrass and beach party and living history and canoeing and sailing and shooting and climbing and food and desserts and adventure and the list is simply incredible. So, the key question is

ARE YOU READY?
